

LOSBERGER DE BOER

**Temporary Event Spaces**  
for all your events need

On schedule and reliable: Losberger designs space concepts for hosting perfect events.

## More ideas. More performance. Losberger De Boer.

The event sector is increasingly gaining momentum. Be it a rock concert, fashion show, trade fairs, sporting events, anniversary or product launch: Your visitors constantly expect more! That's why it is important to pick up on current trends and create unique and unforgettable experiences.

### Captivating spaces

To create captivating yet functional spaces, the spatial structural frame work needs to work precisely in the best interest of the event's requirements – even if time often is a critical factor!

Apart from the room size, equipment and environment, individual customer wishes must also always be taken into account with competent mobile space solution planning. An experienced partner is important, a partner who knows the challenges of major events and can master these reliably. A partner for whom premium quality also always means premium service. A partner like Losberger De Boer. For an extraordinary event space experience.

### Performance without limit

From the initial concept right through to the safe construction and dismantling: When it comes to the rental of high-quality marquee systems and creative event space concepts, Losberger De Boer not only offers countless solutions – it also always provides a reliable and comprehensive service.

Following a personal consultation, our project managers will take over the full planning. Our experienced site managers ensure a quick and well organised assembly as well as an official turnkey handover. Losberger De Boer will remain flexible throughout the process, our professionals will find solutions for any last minute requests, extensions, or adaptations.

In addition Losberger De Boer can support you with comprehensive services prior to and after your event, including: Interior decoration, heating, air-conditioning, security and more – leaving you to focus on your role and the success of your event.

### A trusted brand

Why are we the first choice when it comes to hiring temporary structures for events? Because our company can look back on 100 years of experience, offer the greatest diversity by providing optimal, innovative and advanced designs from our extensive product portfolio, fulfilling any request. Not forgetting the high quality of our systems, which is noticed and appreciated by both customers and visitors, an essential element of the brand experience. Losberger De Boer does whatever it takes to be a reliable partner and meet every deadline.

Regardless of what might be the most important reason for you: We are proud that countless decision-makers from all sectors in the event industry worldwide rely on Losberger De Boer for delivering turnkey event services.

## Ready. Steady. Losberger De Boer.

Football, golf or giant slalom: Whoever organises a major sport event has to overcome numerous obstacles. Tournaments have to be planned in the shortest time, budgets must be calculated, athletes engaged, authorisations obtained, and locations have to be booked.

However, in the area surrounding the respective arena, guests, press and the audience would also like to be fed, accommodated and looked after in mobile assembled premises. With Losberger De Boer, space becomes an experience, your visitors will be so impressed, they won't believe they are inside a temporary building.

VIP areas at winter sport events:  
Thanks to good insulation with high quality materials, the warmth remains in the marquee – and the cold stays out!

## Records. Performance. Losberger De Boer.

Maximum performance in sport, at the track and the facilities that surround it. Be it a race, derby, tournament or championship, during a World Cup or at the Olympic Games: We give your sporting event performance premises.

Losberger De Boer can provide much more than hospitality space solutions; from infrastructure to entire Olympic villages can be provided, offering accommodation for athletes and their teams, as break rooms, canteens, offices, physiotherapy practices, security checkpoints and even retail space.

Losberger De Boer space solutions provide spectators with optimal, panoramic views and comfortable facilities for watching an enjoyable sporting event at close proximity.

At the heart of the community. For every occasion. Losberger De Boer.

Be it Berlin, Dresden, London, Montreal or Mexico City – events hosted in an urban spaces need flexible, practical and safe systems.

Marquees for community reading rooms, high streets as covered catwalks, city centre ice rinks, or even public parks as a lively festival – all achieved in public spaces using Losberger De Boer event structure solutions.

With themed interiors, clever lighting, podiums and staging, catwalks, furnishing, air conditioning systems, spectator stands: our flexible solutions turn public spaces into community events and brand experiences for 100's or even 1000's of visitors. Safety first – Losberger De Boer meets all relevant health and safety legislation. It goes without saying that we leave every site exactly how we found it, as all our products are fully re-locatable.

Regardless of the location of your corporate event – Losberger De Boer creates the finest event structures.

## Companies. Celebration. Losberger De Boer.

Take the stress out of organising corporate events. You and your colleagues already have your work cut out for you with your everyday tasks; so when staff parties, exhibitions or large company anniversaries must be organised you need event experts at the ready – this includes mobile space concepts for hundreds or even thousands of guests!

Wouldn't it be nice to have a partner who takes the weight off your shoulders? Who looks after everything from A to Z? From conception, planning and assembly to the handover of your event structure, Losberger De Boer guarantees you a turnkey package. In addition, Losberger De Boer can also take care of all other services, from catering and decoration, to furniture and security. Losberger De Boer is here for you!

## Product. Experience. Losberger De Boer.

Your trade show or product launch is approaching, it has involved many months of preparation. The new vehicle model is ready, the current collection is complete! You will need display areas, space for your guests, press, bloggers, catering crew and backstage teams. All of this has to be achieved under one roof or across several structures.

Simply tell us what you need: covered red carpets, exclusive VIP lounges, presentation areas with the wow factor, or even stages with built-in pulse accelerators that present your products in the best possible light. Short of lead time? No problem, we will ensure your show, presentation or product launch is ready in time – it will be an unforgettable experience for all persons involved!

Your event space needs to reflect the quality of your new products and brand, Losberger De Boer event structures set the perfect scene.

Lights off. Spot light on. Losberger De Boer.

Not only do our products and services present your products in the best light, we can also provide the actual lighting – presentations and product launches often require black out presentation spaces and specialist lighting. Losberger De Boer can provide black out interiors and special covers to create the perfect setting for your special lighting installations for maximum impact. So, what are you waiting for? Lights off, spot light on!

By the way: We not only offer you space with perfect lighting conditions but also impressive interior design. Interiors can be created in line with your design brief, using high quality materials and smart systems, your visitors will hardly even notice that they are in a mobile space solution.

From reception and registration, to the congress day and right up to the evening gettogether – congresses need a flexible venue.

## Knowledge. Exchange. Losberger De Boer.

You need a structure for a congress, conference or a seminar? A location that can be adjusted to the number of participants in short notice? Venues that are aligned exactly to the programme and your event's requirements? That are installed at your desired location? Then we have to talk.

We provide customised space concepts for 100 to 10,000 participants and ensure that nothing is left to be desired. Optimal light, technology and air-conditioning, as well as podium architecture that can be seen from all angles. We offer a variety of different seating options and state-of-the-art rest room facilities. You can focus fully on the congress programme, we will take care of all the rest!

Be it a trade fair booth, trade fair hall or the equipment for a complete trade fair with temporary structures: Losberger De Boer offers a matching size for every challenge.

Industries. Meeting points. Losberger De Boer.

The trade fair is calling. Delegates are coming from all corners of the world, the whole industry gets together to establish contacts, marvel at innovations or exchange expertise. Who's right at the heart of this? Losberger De Boer: with fascinating temporary space architecture, double-storey structures and entire trade fair halls with covered surfaces up to 30,000 m<sup>2</sup>. All assembled quickly, reliably and flexibly.

Needless to say, you can also expand your space without any hassle, especially for logistics or warehousing purposes. Tell us about your trade fair vision – and we will provide you with the perfect space!

Exhibitors. Successes.  
Losberger De Boer.

International fashion shows to art exhibitions, with their own dining and retail areas, or the World's largest plant and machinery trade fair: Simply tell us how many square metres you have at your disposal and your particular requirements. Guests and visitors will be amazed with Losberger De Boer's cleverly designed presentation spaces, exclusive VIP areas and modern architecture.

Elaborately designed outdoor facilities and unique trade show booths, not a problem! At Bauma, Munich, the largest international construction machine trade fair worldwide, we provided a temporary home to huge excavators, gigantic crane systems and many other exhibits. No matter what the scope of your requirements – together, we will find an impressive solution.

If trade fair halls don't offer enough space, simply utilise outdoor areas.

Mobile space solutions in all imaginable sizes and forms provide your exhibitors with a suitable solution.

Enjoyment starts with the right location. The flexible space solutions by Losberger De Boer cater for every taste.

## Enjoyment. People. Losberger De Boer.

For event catering, experience dining and hospitality, your guests want to be wowed by new ideas and we don't just mean in the culinary sense! The venue, the space, the design and the décor, all play an important part in the overall experience and comfort of your guests, they want to be pampered.

Asides from quality, comfort and interior design, the space solution must allow your service staff the ease and comfort to carry out their services roles efficiently. Tents for the delivery of fast food at open-air events, stylish hospitality areas, preparation tents for catering and personnel as well as kitchen tents, just a few examples of what Losberger De Boer can offer. In a nutshell: We understand your needs and create unique outdoor gastronomy experiences that your guests are sure to remember for a long time!

*Committed to your success*
